

# INTRODUCTION

## **ETHAN ZOHN**

At this time, will you please take a moment to turn your cell phones to “silent” or “off” and refrain from text messaging during the program in consideration of our speaker and our audience. Thank you.

My name is \_\_\_\_\_. I am (leadership position or organization), and it’s my pleasure to welcome you.

This program is sponsored by (list organizations).

Our speaker today is just like us. He navigated his way through college, played varsity soccer and was confused about what to do with his life when school ended—but remained passionate about finding his place in the world.

After playing professional soccer in Zimbabwe, Ethan Zohn was chosen to compete on the top-rated reality show, *Survivor: Africa*. And on January 10th, 2002, Ethan became a millionaire when he was announced as the sole survivor on live television. After Ethan got his big break, he decided to use that moment of fame and fortune to create change.

He is here to share his experiences with character, stepping up to challenges and maximizing the moments in your own life.

Please join me in welcoming Ethan Zohn!
