

**MITCH  
CRANE**

Judge Mitch Crane's program was captivating and persuasive. He took a tough and skeptical audience and earned their attention and respect through his clever analogies and moving anecdotes. He helped to reinstill us with a sense of responsibility to our ideals and rituals. I wish we had more people like Judge Mitch to remind us of why we are Greek.

—Mike Bruno, Duke University

## ATHLETES, GREEK LIFE, HAZING, RISK MANAGEMENT //

Judge Mitch Crane has spoken on more than 500 campuses across the nation on important issues affecting Fraternity and Sorority Life. He encourages both men and women to educate and set an example for their new members, their campuses and their communities.

### A TORT IS NOT A CAKE

In his keynote, "A Tort is Not a Cake," Mitch helps student leaders and/or student-athletes understand the concept of negligence and the practical implementation of risk management through case studies. By learning how to spot potentially dangerous situations before they become real liabilities, students become true risk managers.

### BUILDING BETTER BROTHERS AND SISTERS

In his keynote "Building Better Brothers and Sisters," Mitch addresses negative media portrayals of Fraternity and Sorority life incidents. Using real-life examples, he explains what the legal system would do to a person who killed their "brother" or "sister" and quickly draws the parallel to Fraternity and Sorority Life. Students will leave Mitch's keynote with a refreshing look at why hazing and other destructive behaviors must stop.
