

# Erle Moring Introduction (Mention Program Sponsors)

Out of respect to our speaker and our audience, please take this time to set your cell phone and PDAs to silent or off. Thanks!

Our speaker is brought to you by CAMPUSPEAK. Erle Moring has an undergraduate degree in Public Relations/Journalism and a Master of Arts degree in Communication from Auburn University.

Erle worked briefly in the student affairs arena of higher education focusing on the areas of admissions and health services. Currently, he is a self-employed professional speaker and consultant. In high schools and colleges across the country, Erle speaks about hazing and substance abuse related issues. He is also in great demand at the corporate level where he trains and educates business leaders about substance abuse and its impact on the economy.

He is a member of Sigma Nu fraternity and has been active in the fraternity's LEAD program for new members. In his spare time, you'll find Erle hanging out on the water where he lives on beautiful Smith Lake in rural Alabama.

Please join me in welcoming Erle Moring.
